Hope Community Services

In an effort to expand our relationship with the Hope Community Services food pantry and kitchen, we asked the director, Carole Troum, how else Holy Trinity might be of assistance. Of course, our continued collection of food donations is the most critical. In addition, every other Tuesday morning, there is an opportunity to help bag up the donated food items to be given out to needy families on the following Wednesday morning.

Two of our members volunteered on a recent Tuesday morning and were immediately struck by how well-organized the food pantry volunteers are, how dedicated they are, and, by how much need there is for nutritious food in the New Rochelle community.

If anyone is interested in donating their time, the following dates are available:
Tuesdays 9am (to pack groceries):

February 17,
March 3, 17, 31
April 14, 28
May 12, 26
June 9, 23
July 7, 21, 28
August closed

Wednesdays 8:30am (to give out groceries):

February 18
March 4, 18
April 1, 15, 29
May 13, 27
June 10, 24
July 8, 22, 29
August closed.

Please email Jeannie Hedge (jeanniehedge@aol.com) or Stephanie Madouros (s.madouros@wssworldseas.com) if you have any questions.

For everyone else, please know that your weekly food donations are being put to very good use and **the need is growing in these difficult economic times**. In particular, they are looking for “meals in a can” (eg. pork and beans, soups with chicken or beef, etc), tuna, peanut butter, cereals, dried and/or canned beans, and powdered milk.

THANK YOU!!
