

HOLY TRINITY SCHOLARSHIPS

Dear Parishioners:

Our Holy Trinity community and the families of those with scholarship funds have been very proud to provide scholarships annually to our young men and women who further their education in a college or university.

There are several memorial scholarships that are made possible by the constant support of the families of those whom we love and have in our memory forever at Holy Trinity. In addition, there is also a Holy Trinity scholarship that is supported by our own community members for our students. These scholarships are given to the students of our community who are needy and worthy.

In order for these scholarships to continue and grow, we need the support of our community. The more financial support we receive, the more we can provide to these young people to help them offset the high costs of education today.

Those who wish to establish or create a scholarship fund in memory of a loved one or on behalf of their living family may do so as long as the donation is for an amount over \$5,000. Funds under this amount will be placed into the general church scholarship fund.

The Scholarship Committee co-chairs of Gregory Apostle and Thomas Dushas.

Please make a tax-deductible donation towards these scholarships by mailing a check to the church office – Att: Scholarship Committee. If you have any questions, please feel free to contact us or see us in church.

Holy Trinity Church Scholarship for Applicants

Holy Trinity Church, through the loyal support of our parishioners and various families over the years, has made it possible for scholarships to be given to those in our community who have grown through our church. The scholarships are given to the youth of our church, whose families are members in good standing in our community for at least the last two previous consecutive years. Any youth planning to attend Hellenic College/ Holy Cross Seminary will be given special consideration. These scholarships are meant to assist in offsetting the high costs of today's education and to show our love and appreciation for our youth.

If you plan to attend the college this fall, please fill out and send your application and documents to the church office. The sealed envelope will be forwarded to an external independent party for review. The independent party will review all applications and send us his objective feedback on the qualifications of each applicant. (Please note: all applications and financial aid forms will be kept in strictest confidentiality and will be available only to the independent party, the priest, and the two chairpersons of the committee.) The committee and Fr. Nicholas Anctil will then recommend to the Church Board, the scholarship recipients, amounts, and number of awards based on funds collected.

The independent reviewer will make his decisions based on the following criteria: Need, scholastic qualification, commitment, initiative, individual responsibility, participation in school, community and church related activities. A personal record with these criteria above, submitted by the applicant, will support the academic record, which may not include exceptional grades.

To apply, please mail:

1. Completed application forms;
2. Financial Aid Form (FAF) from school;
3. High school transcript;
4. One letter of recommendation from a professor, dean, etc. and;
5. A personal essay of not more than 1,000 words indicating extra-curricular activities, personal honors gained and achievements, church involvement and participation and indicate why you feel Holy Trinity church should invest in your future.
